
Egle

Pre-lighten with Affinage Ice Crème & 3% Creme Developer.
Visually develop to a clean blonde, then rinse, shampoo & dry.

If needed apply a toner to remove any unwanted yellow tones using INFINITI 10.21 mixed with Converter. Visually develop, rinse, shampoo & dry.

Apply a global colour using the following mix: 20g INFINITI Gothic 9.117 + 10g 6.117 + 3% Creme Developer. Develop for 45 minutes, rinse, shampoo then towel dry.

Colour a small front section with Colour Dynamics Pure Purple mixed with Pasteliser to create a soft lilac hue. Rinse & condition.
