SHIMMER LIGHTS

Pre-lighten mid-lengths & ends with Affinage Lite & 6%/20Vol Crème Developer, leaving a diffused line away from the root section. Visually develop to a clean blonde. Rinse, shampoo with MODE ColourCare & blast dry.

Apply INFINITI 'Metallic Bronzed Amber' to root section and pull random sections through to the ends. On the sections left out, apply INFINITI 'Metallic Pearl', marbled in to 'Metallic Bronzed Amber' on mid-lengths & ends to create shimmer lights throughout.

Develop for 25 minutes (no heat). Rinse, then shampoo & condition with MODE ColourCare.
